

# Meeting of Experts on Workers in Situation Needing Protection (The employment relationship: Scope)

## Basic technical document

Geneva, 15-19 May 2000

[Click here for a version formatted so that the entire 69 page document may be printed at once.](#)

[See also the Report to the Governing Body \(in pdf\)](#)

## Contents

### [Summary \[1-4\]](#)

#### [A. Background](#)

[Conclusions of the Conference debate \[5-7\]](#)

[Results of the studies and meetings \[8-11\]](#)

#### [B. The functional problem of workers' protection \[12-13\]](#)

[The context of non-protection \[14\]](#)

[The repercussions of non-protection \[15-16\]](#)

[Balance between equity and adaptability \[17-18\]](#)

#### [C. The employment relationship: Scope of persons covered \[19\]](#)

[The uncertainty of the scope of legislation \[20-30\]](#)

[The non-application of legislation \[31\]](#)

#### [D. Elements for possible standard-setting action \[32-35\]](#)

### [Introduction \[36\]](#)

[The Conference resolution \[37-38\]](#)

[The programme of studies \[39\]](#)

[The Meeting of Experts \[40\]](#)

[Agenda \[41\]](#)

[Composition \[42-43\]](#)

[Content of the report \[44-45\]](#)

[Work of the Meeting \[46-47\]](#)

### [1. Background](#)

[Origin and discussion of the item \[48\]](#)

[The discussion at the International Labour Conference \[49\]](#)

[First and second discussions \[50-52\]](#)

[Work through private employment agencies \[53\]](#)

[Conclusions of the discussions at the International Labour Conference \[54\]](#)

[Terminological difficulties \[55\]](#)

[Conceptual ambiguity \[56-62\]](#)

[Scope of persons covered \[63-66\]](#)

[Controversial regulation \[67-70\]](#)

[The importance of the subject of workers' protection \[71-73\]](#)

[The importance of the employment relationship \[74-77\]](#)

[Results of the studies and meetings \[78-79\]](#)

[Objectives \[80\]](#)  
[Methodological options \[81-88\]](#)  
[Work in the informal sector \[89\]](#)  
[Work by women \[90\]](#)

## [II. The functional problem of workers' protection \[91-95\]](#)

[The context of the lack of protection \[96-103\]](#)  
[Repercussions of the lack of protection \[104-123\]](#)  
[Balance between equity and adaptability \[124-127\]](#)  
[Points for reflection](#)

## [III. The employment relationship: Scope \[128-130\]](#)

[Uncertainties in the scope of persons covered by legislation \[131-133\]](#)

[The “loss of focus” of legislation \[134-135\]](#)

[Disguised employment relationships \[136-141\]](#)  
[Objective ambiguity in employment relationships \[142-144\]](#)

[The identification of the dependent worker \[145-148\]](#)  
[The identification of the employer \[149-157\]](#)  
[A sectoral example: Truck drivers \[158-160\]](#)  
[Changes in other sectors \[161\]](#)

[The effect of the lack of protection \[162-164\]](#)

[The “refocusing” of legislation \[165\]](#)

[Clarification of the scope of the standard \[166\]](#)  
[Readjustment of the limits of legislation \[167-171\]](#)  
[Restrictions in the scope of regulations governing the employment relationship \[172\]](#)  
[General basic protection \[173-180\]](#)

[Non-application of legislation \[181-189\]](#)

[Points for reflection](#)

## [IV. Elements for international standard-setting action \[190-192\]](#)

[Why international action? \[193-196\]](#)  
[Why standard-setting action? \[197-198\]](#)  
[Promotional action? \[199-204\]](#)

[A principle \[205-207\]](#)  
[Some measures \[208-212\]](#)  
[A facilitating mechanism \[213-215\]](#)  
[Some practical guidelines \[216-224\]](#)

[Points for reflection](#)

## [Conclusions \[225-230\]](#)

### [Appendix I.](#)

[Resolution concerning the possible adoption of international instruments for the protection of workers in the situations identified by the Committee on Contract Labour](#)

### [Appendix II.](#)

[Points for discussion](#)
